

Neonatal Diapers

Cuddle Buns® & Beary Small®

The **Small Beginning's** diapers are designed specifically for preemies and feature a narrow crotch to prevent leg abduction and hook and loop closures that are safe for the baby's skin. **Cuddle Buns®** have an umbilical cut, one-way liner to keep baby dry, and allow for urine samples to be taken directly from the diaper. The **Beary Small®** diapers are bili-light penetrable for phototherapy and have an absorbent gel to help keep baby dry. Both options are available in 3 preemie sizes.

Cuddle Buns® Features:

- Narrow crotch to prevent abduction
- No logos or printing, all white design
- Hook & loop closure (no tape)
- No gel to swell
- Urine sample can be taken directly from diaper
- One-way liner to keep baby dry
- Umbilical cut-out
- Double Elastic to prevent leaks
- 3 preemie sizes available

Beary Small® Features:

- Bili-light penetrates diaper
- White opaque outer layer
- Hook & Loop closure & no tape
- Economical
- Very absorbent with gel
- Narrow crotch
- 3 preemie sizes available
