MetroMed is proud to offer a full line of O.E.M compatible medical oxygen sensors, disposable and reusable spO2 sensors, and accessories from companies such as Nellcor, Masimo, BCI, Nonin, Ohmeda, Drager, Puritan Bennett, Siemens, and Maxtec from Sensoronics.

We are a regional medical products wholesale distributor established in 1996. We sell products in Pennsylvania, New Jersey, New York and Delaware. Our focus is the specialized sales of neonatal, I.V. therapy, enteral feeding, and infection prevention products to acute care facilities. Our scope covers both hospital facilities and home care service facilities.

We provide in-service training on all our products. We ship our products from our office in southeast Pennsylvania. Most deliveries are via UPS Ground, which provides next-day delivery for most of our coverage area. Next Day guaranteed deliveries are available upon request at an additional cost. FedEx shipping is also available.

Our company information is listed below. If you need additional information, please call or fax us. Customer service is our highest priority.
